

March/April 2003

Of Past Interest:

The February banquet to celebrate last year's season was HUGE. Over 50 folks gathered to have a great time, and they seemed to have a great time plus. The food was, once again, terrific. No one went away hungry or unsatisfied. Silver City really takes care of us in fine fashion. The awards were wonderful as well, with a broad cross-section of the club being recognized for their efforts/skill/luck/cheating at our events. Young and old(er), new and experienced, front and rear wheel drive, with pistons and pistonless, fast and near fast, turbo'd and turboless were all represented. Pardon me if I get misty-eyed here, but this is just about the coolest group of pylon hunters ever. Just good, good folks that we are all proud to be partners with as we all have car fun.

The winners were:

First place in driver points for 2002 John Weinzettel !!!!!

Second place Tim Helms

Third place Clint Hauge

Fourth place Zack Gilmor and Jim Messick

Sixth place Phil Kiser and Bob Stevenson

Eighth place Steve Nutter

Ninth place Jerry Rukavina

Tenth place Rick Cummings and Gary Wolf

OK, so that's not really accurate. We're all winners. And the recognition of the tireless efforts of all the volunteers we all depend on was most deserving.

Of Current Interest

(In no particular order);

- From now on, there will be only one club meeting per month to worry about. The executive committee will do its exec thing as folks' schedules allow, but the general meetings will continue to be at 7:30 PM on the last Thursday of the month at the tenth avenue Hardy's restaurant. So the next meeting will be on April 24, following the season opening non-points
