July 11, 2004

ExpoPark, Great Falls

An absolutely beautiful day saw some of the closest finishes of the season; competitors from Great Falls and from across the region went home feeling like they had really worked hard to earn their finishing positions. John Weinzettel's Fast Time of Day of 49.706 in his Honda CRX was a spectacular run as he set the pace for over 4 dozen drivers. The club's next event will be Top Gun, a two-day statewide event on August 28th and 29th.
